JUNE 2013

New Collections

Order before the price bump

Due to rising costs of labor and silk, we are needing to bump up prices slightly. River Silks is committed to providing the highest quality silk ribbon at the lowest possible cost to you. Our ribbon still has 26% more silk per yard than any other ribbon. And, we do not double production costs to set wholesale prices. Prices will increase after June TNNA.

Upcoming Trade Shows

Our next exhibit is at TNNA San Diego, Jan 2014
