## Family Update

In Sept. 2009, Paul Krynicki MD passed away after a long fight with cancer. Jean Krynicki is continuing the business in Kirkland. Lynn Krynicki Bayer continues to manage River Silks East and covers business for the Kirkland WA office when it is closed. Jill Krynicki is building the new website, editing and composing newsletters, and managing advertising in magazines (**Needlework Retailer**, **Needlepoint Now**, **Needlepointer ANG**, **American Quilt Retailer**). Let us know if you see any of these ads and find them helpful and interesting. **Wichelt Imports** and **Leigh Designs** continue to distribute River Silks products.

*We appreciate your enthusiasm for River Silks silk ribbons.*
